Volume 7, issue 10 – October, 2008

---

## Next Meeting

Who stole the rest of Sept.?

I have just run out of time and energy. The Oct. Rocky Forge meeting will be at the Grand opening for The Wabash Valley Blacksmiths new shop at Fowler Park south of Terre Haute. Fowler Park is South of Terre Haute just off Rt. 41. If you are going south and get to Boot City you have missed the turn. Turn around, the turn is the first east turn north of Boot City. There is a sign but it is not very obvious.

There will be Iron in the hat and a pitch-in lunch. Wabash Valley is providing ham and bean and corn bread.

The new shop has six useable forging stations and someone is going to demonstrate making horseshoes.

Wabash Valley meetings are always fun and friendly. Make the trip you will enjoy yourself.

David Childress
