Volume 23, Issue 11 – November 2024

Next Meeting November 9 (at our Illiana Shop)

As most of you know we are losing our good friend, Dominick. He and his wife are moving way up north to Minnesota to be with his son and grandson. As a result, Dominick has donated a truckload of tools and miscellaneous items to our group.

His donation will be distributed in three ways: Iron-in-the-Hat, additions to our Rocky Forge shop, and direct sales to you members. All money will be donated to the guild.

We will start off with the direct sales and see where we end up, so there may or may not be an Iron-in-the-Hat.

Sounds like fun!!

After that we can light our fires and forge away.

A special lunch will be provided by members who have volunteered food:

- Charles Kemble, pulled pork
- Dan Michael, potato salad
- Randy Padish, buns and coleslaw
- Marty Mears, baked beans
- Matt Haven, cake

The rest of us should bring a covered dish to compliment the meal

THIS MEETING IS TO GIVE DOMINICK A DYNAMITE SEND OFF.

He has been a valued member for, well forever. We thank you Dominick for all your service and wish you and your wife the best of luck for the future.

See you all on Saturday.
