

# ROCKY FORGE NEWSLETTER

## Notes from Anvildan

Ted is down with the flu. Hopefully he'll be up and around for the meeting. Our next Hammer-In will be this coming Saturday, January 10th. Coffee, doughnuts and a social time until 9:00. Since Ted is sick and it's January in an unheated shop, we'll skip the business meeting and go right to starting fires.

After missing the December meeting everyone should be anxious to shape some hot metal, maybe you have some creative ideas in mind. Bring a sack lunch and your tool bucket.

Hope to see all of you on Saturday.
