Notes from the Forgemaster

Our next hammer in will be next Saturday, May 9th at 9:00.

It's been a while since we've had most members present and I trust this Saturday will be well attended. We certainly need to keep our skills tuned.

This Saturday, May 2nd, we have several members demonstrating at the 200th anniversary of Fountain County, which is being held at the county fairgrounds west of Veedersburg. Thanks Eric S., David D. and Chet P.

Be thinking about our Illiana T-shirts for this year. What feature and color do we want?

I'm having trouble getting the buyer of our equipment to come pick it up. He is a very busy person since he is responsible for all utilities in the town Boswell. Hopefully, it will be soon.

At Saturdays hammer in bring your nail headers so we can see the variety. Hopefully, we can discuss how to make one since Bobby and his friends are very interested in making nails.

I guess the easiest thing for lunch is to brown bag your own.

Hope to see a good turnout Saturday and hoping for a nice weather day.

See ya all on Saturday at:
